VOCATIONAL GRANT PROGRAM INFORMATION

WHO MAY APPLY: Any prospective male or female residing within the jurisdiction of the Benevolent and Protective Order of Elks of U.S.A. who plans to pursue an eligible vocational/technical program beyond high school may file an application. All applicants must be citizens of the United States of America and a resident of Oregon on the date the application is filed. A high school Diploma or equivalent GED is not required. This application must be filed with the Oregon State Elks Association State Office on or before March first (3/1).

The definition of an eligible program will be comparable to that contained in the federal vocational legislation. It is defined as a two year or less vocational/technical program, culminating in an associate degree, diploma, or certificate, but less than a baccalaureate program (Bachelor's degree). A student must be enrolled full time at an approved accredited institution or program. If for some reason you do not meet this minimum criteria, you may petition the Oregon State Elks Scholarship Chairman found on the front of this application form. If permission is granted and the completed application is received by the deadline date, then the vocational grant committee will evaluate the application under the category of "special circumstances."

This Vocational Grant is a one-year award of \$2,000. Students may reapply if their program requires an additional year of education. A student cannot accept more than one Oregon State Elks Association scholarship/grant in an academic year.

All scholarships are in the form of a Certificate of Award issued by the office of the Oregon State Elks Association, conditioned upon the satisfactory enrollment of the student in a vocational/technical course of a two-year US American College or vocational/technical school. Upon receipt of a "Verification of Enrollment" completed by the proper school official, an Oregon State Elks Association check in the amount of \$2,000 will be forwarded to the school to establish a credit for the student.

The grant may be used for tuition, fees, books, and school supplies. It may be used only for the usual and required cost of applicant's planned course of study.

Applications are evaluated based on the information herein. Therefore, if after being notified of a grant, your course of study and/or attending school change, the grant may be withdrawn. If this does occur, notify the state office as soon as possible.

After completing this application, save a copy for your records. Return this completed application to the Oregon State Elks Association State Office at osea2@outlook.com by **March 1 at 11:59 pm.**

Vocational Grant available August 2, 2022 and will close March 1, 2023

All successful applicants will be notified by July 1 if they are the recipient of a grant.

Incomplete applications will not be judged. It is imperative that all information be accurate and detailed so that the judges can understand and properly evaluate the application.
